

TROOPMASTERWEB 2.0

Troop 57 prides itself on its commitment to maintaining a troop that is boy lead. We are also realistic in our understanding that parents will, and should, keep track of how their scout(s) are doing in their advancement. We use a program called TroopmasterWeb 2.0(TMW2.0) to track advancement, training, event participation and leadership. To help the scouts in the troop stay on track, and you as a parent to help them, we also allow you to see what we have entered for you and your scout(s) using TMW2.0.

When you join the troop please give the Advancement chair the email address for you and your scout(s). The Advancement Chair will send you an email with a user name and a temporary password, as well as a link to log in. Log in using that information and change your password using the (My Account) link at the top of the page. **Scouts can have their own account and we encourage them to use it to keep track of their own advancement.** TMW2.0 can be accessed from any computer, tablet or phone so you are encouraged to bookmark the page.

After you log in please update any incorrect information.

What can Scouts do?

- View advancement, training, leadership, activity participation, awards, OA info and personal info for themselves.
- Change and add training, leadership and personal info for themselves.
- Add their picture.
- Generate and print reports for advancement, activity participation and personal info for themselves.
- Register and pay for activities through PayPal for themselves.
- View and subscribe to the troop calendar.

What can Parents do?

- View advancement, training, leadership, activity participation, awards, OA info and personal info for themselves and their scouts.
- Add their picture
- Change and add training, leadership and personal info for themselves and their scouts including medical requirements.
- Generate and print reports for advancement, activity participation and personal info for them and their scouts.
- Register and pay for activities through PayPal for them and their scout.
- View and subscribe to the troop calendar.
