

Troopmaster App

You can print out scout reports and track advancement from your computer, tablet and phone with **TroopmasterWeb 2.0**.

You can check advancement status and merit badge requirements as well as have contact info for our adult leaders on your phone with the **Troopmaster App**

There is an app from Troopmaster that you can download for your Android, Apple or Windows phone. It will let you view the information related to the scout you are linked to on TroopmasterWeb 2.0.

Combined with TroopmasterWeb 2.0 you will have access to:

- Scout/Parent Contact Information
- Scout Medical Information
- Individual Advancement Progress
- Rank Advancement
- Merit Badges completed
- Partial Merit Badges and requirements remaining
- Special Awards
- Adult Leader Contacts
- Medical Information
- Activities

To use the app you must *FIRST* have a Troopmaster Web 2.0 account.

You should receive an email from me at the email address you put on your application. If not, or you want to use a different email account, you need to email me at the address below and I will send you a new one. Log in and change your password.

After you have an account set up you need to download the app from the app store for your device.

Search for **TM Mobile**

Once you have it installed you will need to open the app and click on the shovel and axe icon to access the settings

Enter in these settings:

1. Select **TroopmasterWeb 2.0**

Every time you use the app it is a good idea to sync it, by clicking the little blue circle, so that you have the latest Troopmaster information.
